FOR ORAL SURGERY
of Las Vegas

OUR FINANCIAL POLICY

Thank you for choosing us as your healthcare provider. We are committed to provide you with a successful treatment and a pleasant experience. Our Insurance Department and Patient Finance Counselors will work very hard to make sure that you get the maximum reimbursement possible.

INSURANCE AND INSURANCE COLLECTION

Insurance reimbursement can be a long and difficult process for our office. In fact, insurers will routinely stall, deny and reduce payments. It is much easier to maximize your reimbursement if we work together to get your claim processed so you may be asked to call and check claim status if the claim has not been paid past thirty (30) days. After your surgery, insurance companies occasionally reimburse you, the patient, even though an assignment of benefits has been properly executed. Should this occur and your balance has not been satisfied, you are obligated to endorse and forward all payments to this office within 24 hours.

FORMS OF PAYMENT

We accept Cash, Checks, all major credit cards, debit cards and check cards. We offer *CareCredit and Springstone* as our extended payment options. Our Patient Finance Counselors can give you details on how to apply.

INSURANCE CO-PAYMENTS

We verbally obtain your benefits from your insurance and determine your estimated co-payment, however, this is an estimate only and this does not alleviate you of your financial obligations. After your claim is submitted and paid, you may still have a remaining balance and will receive a statement due upon receipt.

TYPES OF INSURANCE

Non-Contracted or Indemnity Insurance Plan:

We will bill your insurance as a courtesy, a convenience, and a service to you; however, we may require 100% of the bill to be paid at the time of service.

PPO Dental Plans:

We are providers with several dental insurance carriers. Please verify with our office staff if your insurance is one we are contracted with. If we are a contracted provider, your percentage co-pay plus any deductible is collected on the date of service. We obtain verbal estimates from your insurance company regarding your benefits for your treatment on the date of service. This amount may not reflect pending claims or non covered procedures. Additional monies may be due after insurance receives claim and processed according to your plan.

Medical Insurance:

This office is NOT a Medical Provider with any medical insurance carriers. For all medical treatments provided, you may be asked for payment in full at the time of service. Please note that your insurance may deny the claim if you have not pre-authorized your surgical procedure or elected to go out of network. We will be happy to bill them as a courtesy to you (except Medicare). Because we are accredited with JCAHO, a claim may be submitted to your medical insurance for a facility fee (The Center for Surgical Arts) and supplies. The patient will not be responsible for the amount the insurance does not pay on this claim. However, if payment is sent to you, we ask that you forward it to our office.

Medicaid:
You must have a valid, full benefit Medicaid card for the current month along with a picture ID. You are responsible for payment of procedures not covered by Medicaid. This office does not accept pending Medicaid status or the HMO plan with Ameri Group or Smart Choice HPN.
Secondary Insurers:
Having more than one insurances DOES NOT necessarily mean that your services are covered 100%. Insurances do a coordination of benefits, and secondary insurers will pay as a supplement of what your primary carrier pays. We may bill your secondary carrier as a courtesy. You are responsible for any balance after your insurance(s) has paid.
Dental Implants/Cosmetic Procedures:
Extended appointments are provided and components must be ordered for these types of procedures. Only rarely is insurance coverage available to cover these fees. In order to secure your surgery date/time, all fees are due and payable one week prior to your scheduled procedure(s).
Bone Grafting, Biopsies and Removal of lesions
Frequently, these procedures are not covered by insurance plans. For this reason, we require payment for these procedures at the time of service. As a courtesy, we will bill your insurance company and attempt to obtain coverage. If any payment is made by your insurance company for these procedures, we will reimburse you the corresponding amount.
CT Scans:
CT scans may not be a covered benefit with your insurance, so we do ask for the fee at the time of service. We will bill your insurance as a courtesy to you. If your insurance pays, it will then be reimbursed to you. If we are a provider with your insurance and your insurance allows CT scans, you will get the provider fee.
Usual and Customary Rates:
Our practice is committed to providing the best treatment for our patients. You are responsible for payment regardless of the insurance company's arbitrary determination of usual and customary rates.
Divorce Decrees:
This office is NOT a party to any divorce decrees. Adult patients are responsible for their bill at the time of service. The responsibility for minors rests with the accompanying adult.
Unplanned Procedures:
Surgery is not an exact science. As such, procedures not initially contemplated may be necessary during your surgery or at a later date. This may include a post-operative x-ray which may be necessary following your procedure. Further charges may apply.
Minor Patients:
The adult accompanying a minor and the parents (or guardians) of the minor are responsible for full payment. For unaccompanied minors, non-emergency treatment will be denied unless charges have been pre-authorized to an approved credit plan.
Refunds:
In the event that your account is overpaid after we receive payment from your insurance, refunds will be made at the middle and at the end of the month and mailed in the name of the patient.
Collections:
Please be advised that this office cooperates with the Clark County District Attorney's Office to prevent bad check losses. Unless satisfactory arrangements are made with our Financial Department, delinquent accounts are sent to a collection agency. Please be aware that being referred to this type of agency may adversely affect your credit rating.
I have read and understand each section in this financial policy. By signing this form, I agree to all the procedures and policies described.
